

GOVERNMENT CONTRACT FINANCING

THE SOUTHSTAR ADVANTAGE

EXPERIENCE

We have experience working with Prime & Sub-Contractors on financial solutions for their State, Federal, & Municipal government projects.

FLEXIBILITY

Our custom solutions provide our clients with the growth capital needed to cover task orders and their associated costs, such as payroll and equipment, as well as any other capital needs for contract completion.

FASTER FUNDING

Obtaining an approved Federal Assignment of Claims & Contract Modification are both in-depth tasks the SouthStar staff is qualified at navigating through. With our experience & understanding of these processes, we are able to provide a faster funding time frame for your company.

SPECIALTY INSIGHT

Our experience extends to both Contract Vehicles & Small Business Programs, such as the ones below. We have the specialized knowledge that allows us to structure the optimal financing solution for your company.

- IDIQ's, BOAs, Task Orders, GSA Schedule, ENCORE II, SeaPort-e & DHS Eagle.
- WSOB, HUBZONE, VOSB, SD-VOSB, & 8(a) Certified Small Disadvantage Business
